

TECHNISCHES DATENBLATT

Haftvermittler für Kunststoffreparaturen 200 ml

Primerspray is a colorless liquid of low viscosity which dries by reaction with air. It is used to prime plastic substrate prior to bonding with Gößl & Pfaff plastic repair system. It is a primer for automotive bumper repair, filled in an aerosol spray can. Adheres to surfaces such as: steel, aluminium, and thermoplastic polymers used for bumper manufacturing, etc.

PRODUCT DATA:

Property	Value
Chemical base	Aliphatic Hydrocarbon composition
Colour	Colourless
Density	0,7 kg/l approx.
Flash point	< 0°C
Solid content	2,2 % approx.
Application method	Spraying
Drying time ¹⁾	10 min.
Storage	Store in a cool dry place
Shelf life	12 months

¹⁾ 23°C / 50% r.h.

AREA OF APPLICATION:

Primerspray is suitable to prepare different thermoplastics prior to repair with Gößl & Pfaff products. It is not suitable for thermosetting resins such as SMC etc.

METHOD OF APPLICATION:

Shake well before use. Spray the product directly onto the parts to be repaired, keeping the can in vertical position. The product facilitates the adhesion of paints, glues, and inks to the base material. Apply sparingly to avoid dripping and waste.

PACKAGING UNIT:

Spray can – 200 ml
Product-Number: 1puprim

IMPORTANTE:

For information and advice regarding transportation, handling, storage and disposal of chemical products, users should refer to the actual Material Safety Data Sheets containing physical, ecological, toxicological and other safety-related data. Due to introduction of new plastics, the formulation may slightly be changed.

NOTE:

The information, and, in particular, the recommendations relating to the application and end-use of Gößl & Pfaff products, are given in good faith based on Gößl & Pfaff's current knowledge and experience of the products when properly stored, handled and applied under normal conditions. We cannot assume responsibility for the results obtained by others over whose methods we have no control. It is the user's responsibility to determine suitability for the user's purpose of any production method mentioned herein and to adopt such precautions as may be advisable for the protection of property and of persons against any hazards that may be involved in the handling and use thereof.

Gößl & Pfaff specifically disclaims all warranties expressed or implied, including warranties of merchantability or fitness for a particular purpose, arising from sale or use of Gößl & Pfaff's products. Gößl & Pfaff specifically disclaims any liability for consequential or incidental damages of any kind, including lost profits. Users should always refer to the most recent issue of the Technical Data Sheet for the product concerned, copies of which will be supplied on request.
